401 the knoll
402 the crossing of stream and ride
403 a birch-tree on the dam
404 the S shore of the peninsula
405 a knoll
406 a flat hilltop
407 the hilltop
408 the ditch bend
409 the S corner of the overgrown clearing
410 the depression
411 the boulder, h=2m
412 the spur
413 an eastern oak-tree on the open place
501 the end of the ditch at E of the marsh
502 the S edge of the hilltop
503 the stream bend
504 a fir-tree on the bank of the lake
505 the knoll
506 the spur
507 the bend of the gully
508 the spur
509 the spur
510 the W corner of the ruin
511 the W corner of the marsh
512 a knoll on the terrace
513 a middle part of the gully
514 the N side of the small marsh
515 the hilltop
601 a spring in the upper part of an erosion gully
602 a knoll on the peninsula
603 the spur
604 the NE corner of the bay
605 the break in the dam
606 a pit
607 the saddle
608 the upper part of the erosion gully
609 the low knoll

610 the stream on the saddle
611 the SW corner of the bay
612 the depression
613 the crossing of rides
614 the S edge of the small marsh
615 a boulder at the E corner of the clearcutting, h=0.5m
616 a boulder near the saddle, h=1m
617 the W corner of the clearcutting
618 the knoll
619 between the copses
620 the stream at the E end of the meadow
701 a terrace on the slope
702 the E end of the meadow
703 the NE slope
704 a low knoll
705 a spring
706 the re-entrant
707 a fir-tree in the depression
708 the flat hilltop
709 the top of the spur
710 the knoll
711 a copse in the depression
712 the tower bottom
713 the hilltop
714 the junction of streams
715 the knoll
716 a knoll
801 a knoll
802 the hilltop
803 the open place
804 the S end of the small marsh
805 the saddle, on the ride
806 the knoll
807 the N edge of the terrace
808 the bank of the lake
809 a landmark on the ride
810 the spur
811 the middle part of the knoll
812 the terrace
901 the hilltop, an infodesk
902 the knoll
903 the forest corner on the E side of the meadow
904 the end of the ridge
905 the upper part of the gully
906 the NW edge of the meadow
907 the knoll
908 the S edge of the spur
909 the southern beaver dam
